"Either convert to Islam or die." This was the choice the Turkish Sultan put to Sabbatai Zevi, self-proclaimed Jewish "Messiah" in 1666.

By only pretending to convert, Zevi resorted to a common Jewish practice. But Zevi was not an ordinary Jew. He led a popular heresy, based on Cabalism. The rabbis had denounced him and his followers.

After his "conversion," over a million followers, who later included financiers like the Rothschilds, imitated his example. But they didn't just pretend to be Muslims or Christians. *They pretended to be Jews as well.*

Communist defector Bella Dodd revealed that during the 1930's the Communist Party had 1100 members join the

Catholic Priesthood (<http://www.fatimaperspectives.com/cs/perspective235.asp>)_. They became Bishops, Cardinals and Popes.

By adopting this chameleon strategy, this satanic cult infiltrated and subverted most governments and religions, and established an invisible tyranny without drawing much attention. In the words of the gifted researcher Clifford Shack:

"Through infiltration, stealth and cunning, this invisible network has come to rule us all. Forty-one years after Shabbatai Zevi's death, in 1717, they would infiltrate Masonry guilds in England and establish Freemasonry.... [Zevi's successor] Jacob Frank would have a great impact on the inner core of Freemasonry known as the Illuminati, formed in 1776. Freemasonry would become the hidden force behind events like the [American, French and Russian] revolutions, the creations of the U.N. & Israel, both World Wars (including the Holocaust!), and the assassinations of the Kennedy brothers who, together with their father, tried to thwart the efforts of the network on American soil.

Sabbatean/Frankists, also referred to as the "Cult of the All-Seeing Eye" (look on the back of your one dollar bill to begin to understand their influence in YOUR life), are

political and religious chameleons. They are everywhere...there is power. They are the good guys AND the bad guys. The World War Two era is a prime example. The following leaders were members of the "Cult of the All-Seeing Eye" (Sabbatean/Frankists): Franklin D. Roosevelt; Winston Churchill; Adolph Hitler; Eugenio Pacelli (Pope Pius XII); Francisco Franco; Benito Mussolini; Hirohito and Mao Tse-Tung."

IMPLICATIONS

If Mr. Shack is correct, historians, educators and journalists are upholding a false reality and our culture is an elaborate psy-op. (<https://www.savethemales.ca/001487.html>) . Our perception of the human experience is shaped by an occult secret society.

Obviously, the Sabbateans and their descendants should consume our attention. Instead, they are hidden from view. They were decisive in the so-called "Enlightenment," "secularism" and "modernism." These are but baby steps to their Satanism.

According to Rabbi Marvin Antelman, they believe sin is holy and should be practised for its own sake. Since the Messiah will come when people either become righteous or totally corrupt, the Sabbateans opted for debauchery: "Since we cannot all be saints, let us all be sinners."

Their blasphemous benediction "who permits the forbidden" later became the satanist "do as thou wilt," the expression of their "religious" feeling. Totally amoral, they believe the "end justifies the means." (*"To Eliminate the Opiate," Vol. 2 p. 87*)

In 1756, Jacob Frank and his followers were excommunicated by the rabbis. Antelman says the Sabbateans were behind the Reform, Liberal and Revolutionary movements of the Nineteenth century. They were also behind the Reform and

Conservative movements in Judaism, including the "Haskalah" i.e. Jewish assimilation. In other words, Jews have been influenced by the Sabbateans and don't even know it.

That is their tactic. They don't advocate a Satanic kingdom. They gently steer you that way by questioning the existence of God, by demanding "sexual liberation," "independence" for women, "inclusiveness," "internationalism," "diversity" and "religious tolerance." These all have a hidden agenda: to undermine "all collective forces except our own."

SEXUAL EXCESS AS A RELIGION

We are told "free sex" is "progressive and modern." In fact, the Sabbatean sect has indulged in wife sharing, sex orgies, adultery and incest for more than 350 years. They also promoted interracial sex. They have partly inducted us into their cult.

Antelman cites the proceedings of a rabbinical court where Shmuel, son of Shlomo tearfully confessed he had rejected the

Torah and had encouraged his wife to have sex several times with Hershel. "I am guilty. She did not want to." (111)

Sexual abandon is characteristic of Communism, a direct outgrowth of Sabbateanism. Jacob Frank pimped his beautiful wife to recruit influential men. Female members of the Communist Party were used in the same way. Adam Weishaupt, the founder of the Illuminati, got his sister-in-law pregnant.

A pertinent anecdote: In his book, *"The Other Side of Deception,"* Mossad defector Victor Ostrovsky described how the Mossad relax. At a party, the staff, including many unmarried young females, congregated around a pool, *totally naked*. Orgy. Sexual abandon. Sabateanism.

THE "HOLOCAUST"

The influence of the Sabbatean conspiracy is hidden in plain sight. For example, the term "Holocaust" is used without regard to its true meaning. Rabbi Antelman states that well before World War Two, the term meant "burnt offering" as in sacrifice. (p.199)

He quotes Bruno Bettelheim who says "calling the most callous, most brutal, most horrid. most heinous mass murder a 'burnt offering' is a sacrilege, a profanation of God and man." (205)

Whose sacrifice was it? For what purpose? Obviously, it has something to do with the Sabbateans' occult practice. Every time we use that word, we unwittingly join in their sacrilege.

According to Antelman, the Sabbateans hated Jews and sought their extinction. He cites rabbis who warned as far back as 1750 that if the Jews didn't stop the Sabbateans, they would be destroyed by them. (209)

And indeed when some US Jews tried to save European Jewry from genocide, Antelman says "the conservative and reform communities [in the US] went their merry way ignoring these activities. So called establishment organizations like the American Jewish Congress, American Jewish Committee, and B'nai Brith did virtually nothing." (217)

Sabbateans only marry within their demonic sect. They often marry rich, influential Gentiles. Thus, the Fourth Baron Rothschild (Jacob's) mother was not Jewish nor is his wife.

Another example is Al Gore's daughter Karenna's 1997 marriage to Andrew Schiff, the great grandson of Jacob Schiff. Gore's father was a Senator sponsored by Armand Hammer (Occidental Petroleum) whose own father was the founder of the American Communist party. Like Hitler and Dubya, Al Gore is another Illuminati agent (<http://www.apfn.org/apfn/kgore.htm>).

CONCLUSION

Mankind is in the grip of a vicious Satanic cult whose power is so great, they can wage a covert war against humanity unnoticed. Even when their plot is exposed, they can convince everyone that it is racist, bigoted and in bad taste to believe it.

Western society is morally bankrupt. This elaborate cult network controls politics, information and culture. Most leaders are dupes or traitors. The "Intelligentsia" has been bribed while the public is distracted and lives in a fool's paradise.

Like most nations and religions, Jews have been subverted from within. Zionists are pawns of the Sabbateans who used the "holocaust" to engineer the creation of Israel. Millions of Jews been "sacrificed" to create a Sabbatean Homeland, a

"burnt offering" to Satan, a capital of their NWO.

God gave man Life: a Miracle full of inherent Beauty and Meaning. He gave us everything we need to develop according to his Plan.

But people who think limitless power and wealth are better than infinite love have hijacked humanity. They want to prevent our Divine Rendezvous and entomb us in a permanent infantilism instead. This is the real meaning of our politics and our time.

First Comment by MB:

With respect to the article: "The Satanic Cult That Rules the World" (May 6, 2017), en el que se dice: "Sabbatean/Frankists, also referred to as the "Cult of the All-Seeing Eye" (look on the back of your one dollar bill to begin to understand their influence in YOUR life), are political and religious chameleons. They are everywhere...there is power. They are the good guys AND the bad guys. The World War Two era is a prime example. The following leaders were members of the "Cult of the All-Seeing Eye" (Sabbatean/Frankists): Franklin D. Roosevelt; Winston Churchill; Adolph Hitler; Eugenio Pacelli (Pope Pius

XII); Francisco Franco; Benito Mussolini; Hirohito and Mao Tse-Tung.",

I have to comment the following: Francisco Franco was one of the greatest enemies of Freemasonry. All the lodges during his dictatorship were closed, and the masons of all the currents were persecuted. They themselves said, "The columns have fallen." They had nothing to do in Spain until Franco's death. Franco knew that Freemasonry supported the Republic and the Communist Army, who were his enemies in the Spanish Civil War 1936 - 1939. It is also very important to note that Franco kept Spain neutral in World War II. For all that, the claim of Clifford Shack does not hold in this case.

Nor is it the case of Eugenio Pacelli (Pius XII). I'll give you a couple of arguments. For example, Pius XII was a friend of the rabbi of Rome, Eugene (Israel) Zolli. Zolli converted to Catholicism precisely because of the friendship of Pius XII.

https://en.wikipedia.org/wiki/Israel_Zolli

"Zolli is noted for his defense of the Catholic Church's pope during World War II, Pius XII, who gave support and shelter to Zolli and other Jews during Nazi Germany's occupation of Italy from 1943 to 1944. It was later revealed that Zolli hid in a number of places in both Rome and Vatican City State."

In turn, the great enemy of the Catholic Church, Avro Manhattan, accused Pius XII of being the "Pope of Hitler", because he did not bend to the influence and pressure of the western governments, dominated by the lodges.

However, the problem does appear with the Second Vatican Council, which undergoes a clear Masonic infiltration. Roncalli (John XXIII) allows the advance of the modernist theologians, persecuted these by Pío XII. That is why I, although a Catholic, do not believe that John XXIII was a true Pope, since he did not teach Catholic doctrine. In addition, it allows the penetration of theologians similar to those pointed out by Bella Dod.

The problem worsens with Montini (Paul VI). In his case it is possible to verify clear Masonic influence in the Church. It changes the Catholic mass and introduces a Mass very penetrated of Protestant elements. It pursues the faithful bishops to the doctrine of always.

On Paul VI, I recommend reading this book by Father Luigi Villa:

<http://chiesaviva.com/paoloVI%20beato.in.pdf>

http://donluigivilla.ddns.net/donluigivilla_ing.pdf

Now, with "Pope" Francisco, the situation is scandalous. But this is prophesied by the prophet Daniel. We live very special times, but God will have the last word.

You are wrong to say western civilization is based on Christianity. Western civilization started as early as the ancient Greeks. Yes it was based on religion but like the Romans and us today religion has always been compromised by corruption and hypocrisy hence why we needed figures like Socrates, Jesus and yourself. Christianity was compromised and corrupted long before it was misappropriated by a Roman emperor and his council especially with it's false teachings of physical resurrections.

I also think you are wrong focusing so heavily on Christianity as if Buddhism, Hinduism etc don't espouse the same values. They do, but the message always gets corrupted when humans focus on the material instead of the immaterial. Even Judaism warned of worshiping the material (Golden Calf story).

But this battle has been going on for millennia. It's basically Plato's Idealism v Aristotle's Materialism. You can't change it because to try and do so is to live in 'want' which is anathema to the spirit. All you can do is allow it and lead by example - sacrifice of the material body. This is what Socrates and Jesus did. You will be back. You won't have any memory but the spirit that drives you to tell the truth can never be killed and there will always be those that listen. Not many, but enough.

Both Feminism and Pedophilia are cases of Homoterrorism, thus are intertwined socially, politically and economically.

Feminism is infanticising on various levels:

1. Abortion.
2. Neglect of descendants: malnutrition, scare-tactics, narcotics & promiscuity.
3. Preemption of marriage.
4. Being a zombie state, thus opposite term to the primal way of life - maternity.

The weakness of a zombie renders it a slave of Fascist regimes, where it aligns with other brands of zombie.

Since the downfall of the USSR, every social and economic event must commence with a swearing of allegiance to the satan of Feminism.

Feminism is nothing but a rebranding of the Communist revolution, attacking with zeal anybody who notes the tremendous differences between people, especially per categories and personal responsibility.

This is why Tel-Aviv is the world leader in LGBT aka Feminism, being the former capital of communist agitation in the 'west', commanding the Kibbutzim, the Histadrut (labor union) and stuffing the boss positions across the regime.

The darkest secret of Labor-Zionism is its Homo-Lesbian lure for anarchists.

This explains in part its relentless aspirations to frolic with the Arabs. The other part is the eradication of the Judeo-Christian civilisation, which is the ultimate impediment to Fascism, e.g. Communism and LGBT. The Arab/Muslim and the LGBT are incompatible thus may form dialectics of conflict, in order to keep the globalists on their throne.

Israel was the prototyping laboratory for Eurabia, which is now expanding to the USA by means of the 21st century Sturmabteilung (S.A.) named Antifa(-da).

The Feminist state of zombie associates itself with another one: Islam, which is defined in the Quran to be the realm of having given-up resistance to Moukhammad's perpetual war against civilized society.

Feminism is cultural-marxism hard-core of the apocalypse, which has landed on the decadent, ignorant, and incompetent west, in order to degrade humanity down to a zoo.

I read your piece at the web site [rense.com](http://www.rense.com) and thought it was a great article. I have been researching this same subject for more than 25 years and believe I have found out the actual tribal name of these people, these people that claim to be Jewish but actually are not at all but are liars about their actual heritage and by claiming to be Jewish are actually hiding behind a "fig leaf" trying to stay concealed by the fig leaf. I have come to believe that their tribal name is the Kenites, which of course means "the sons of Cain", or the children of Cain.

Dear Henry, well, you have outdone yourself again today by publishing your superb article on the sabbatean plot (the all seeing, snake eye folks--if you look closely with a magnifying glass at the dollar bill and examine the eye on top of the pyramid, you will see scales around it like a snake). These folks were perhaps part of the "snake family" of the serpent lucifer who tempted adam and eve in the garden.

Anyhow, this time you have cracked the secret code. You have unlocked the secret of how lucifer runs as much of the earth as God Almighty allows. Why God allows us to be tempted and oppressed by lucifer is a mystery that I believe is explained in the Bible.

But Henry, here is the good news. God Almighty is sending his Son Jesus back to clean the mess up and these snake folks will be fully exposed and taken out of power.

Keep up the great work. You have hit another grand slam! Many thanks for all your unique and correct research on who is really in power down here and what they are doing.

May God Almighty richly bless you and yours.

I recently found your site and have been utterly astounded by the clarity and resilience of your work with identifying the elite as well as the profound implications of direct manipulation of masculinity, femininity and the familial structure in the West. I write to you today to inform you of an article I found on the Tavistock Institute website, mocking the notion that they are indeed an elitist propaganda machine: <http://www.tavistock.org/news/detail.php?nid=7> (<http://www.tavistock.org/news/detail.php?nid=7>) My early research into the Elite led me to the Jesuits/Vatican, care of mostly Eric Jon Phelps' Vatican Assassins, yet I still could not precisely determine why the Rothschild's rose so quickly to prominence, nor why they were allowed to continue their money-market control if the Vatican were indeed so powerful. Recently I found this article by Barry Chamish that tied three factions together quite nicely: 1. Illuminati (Weishaupt's Vatican) provides Jesuits. 2. Rothschild's provide Fiscal Dominance 3. Jacob Frank provides religiously-adaptable, Sabbatean agents for political deception. Here is the link: <http://vaticanassassins.org/sabbateans.htm> (<http://vaticanassassins.org/sabbateans.htm>) Perhaps you have already read this, or maybe made/disavowed this connection. I would be curious to know your stance. By the way, I am also an Ashkenazi, German Jew by my mother and a African and Native America through my father. My grandfather avoided concentration camps completely as a lawyer and managed to rescue my grandmother from them. Strangely enough, I find W's in the SS and as the love interest of Carl Jung. Sabbatean, perhaps? Or maybe it is all a coincidence.

Jean D'Eau said (October 17, 2007):

Do you remember the story I told you some time ago about my encounter -while I was a student in Geneva/Switzerland- with Leah, a Jewish girl from a rich private-banking family connected to the very top of the banking "elites"? She told me that most people of her milieu didn't believe in God but rather in a supernatural being collectively created throughout the ages by way of black magic (kabbalah)? This being was supposed to serve their creators rather than to be served by them. This whole conversation started when I innocently asked Leah if the star of David on her neck meant she was believing in God and she replied something like "we believe in a god but we call it an egregore and it serves us rather than being served by us". After that, she never spoke about that to me again.

When I had this conversation with Leah, about three decades ago, the kabbalah was a very secret subject. That was the first time I myself heard the word "egregore". Today, people like Madonna and other half-nuts from the cosmopolitan (Jewish or not) jet-set are getting fond of the kabbalah and a lot of information is available on the web. So, we can learn for instance that the egregores are one of the central part of this black magic and that they are supposed to be man-made and serve their creators with supernatural powers. We can also learn that the egregores have to be fed in order to stay alive and that the most convenient way to feed them is to sacrifice them human fear and human lives. If it is true, I cannot help but imagine that, some egregores must be very fat today with the continuous sacrifices from Palestine or Iraq... I guess that, from the outside, it is difficult to make a difference between someone invoking and sacrificing to an evil god called Satan or Lucifer and someone invoking and sacrificing to a supernatural slave supposed to have been created by themselves and called "egregore"...

Cliff Shack said (October 17, 2007):

Henry,

Because this info is rooted in Jewish mysticism (an exotic and obscure field of investigation), Sabbateanism has managed to elude the modern western mind so accustomed to minimizing things Jewish. Since the coming of Jesus, Judaism has been perceived as obsolete or archaic to the Christian mind, therefore, unworthy of consideration or further investigation. This unsuspecting mindset paved the way for infiltrating Sabbateanism and later Frankism to swallow Western Civilization in several large gulps.

Jim said (October 17, 2007):

The principle symbol of the Jews is the Star of David. This symbol, which predates Judaism, carries a deep message. The inverted triangles represent all of creation. The One shall become the many, so that the many can become the One.

What this implies is obvious, and is completely ignored or not taught to the ignorant, whom make up most of humanity. However, even though the group heads off the cliff into the seeming pit of fiery hell, one can be strong and avoid such mishap. "While walking through the shadow of death, none can touch me, because the faith in the Infinite Creator guides me".

S said (October 17, 2007):

Henry, I was very interested to read your article as I have been reading a couple of books that address exactly this subject: The "Illuminati Formula To Create an Undetectable Total Mind Control Slave" by Fritz Springmeier, and "Trance Formation of America" by Cathy O'Brien and Mark Phillips.

Both of these books are about the mind control programs in place to create mind controlled slaves to do the bidding of the Illuminati. These mind control programs (including the CIA's MK Ultra) were originally based on the methods Satanists have used for centuries to mind-control their own children. Now, because of the continued experimentation of the scientists in our government, more modern methods are used. But the point is that these mind control programs are huge, and proliferate every segment of society.

I bring this up because of your statement of how the Satanists can be political and religious chameleons. This is accomplished through the mind control programs that force the victims to create multiple personalities (like Sybil). How they do this is detailed in these books, and it is beyond all comprehension - they use trauma-based methods that constitute such extreme torture that the child creates a separate personality to deal with the trauma. The Illuminati do this to their own children, starting at birth, and they also use kidnapped children to create mind-controlled slaves for sex and other purposes. Many of these "other" children are children of pedophiles who are forced into political office to do the bidding of the Illuminati, or else go to jail. Taking their children is part of the deal.

The information in these books would not have been believed even 5 years ago, but now there is no doubt that every word in these books is absolute truth, because they foretell exactly what is happening today (they were written in the 90s). We know from our current experience that Bush Sr. and Jr., and Dick Cheney are particularly evil, and the book by Cathy O'Brien reinforces this. We learn from her book EXACTLY how evil these minions are, and she names many people who are still members of Congress and in the current administration. Presidents Ford, Reagan, Clinton, and the Bushes were/are involved in this sick program to use people as mind-controlled slaves. Cathy O'Brien talks about Bohemian Grove years before Alex Jones exposed it widely, and in very detailed terms, which include hunting the slaves followed by rape (Cheney's favorite game), and being mind-controlled to satisfy every sexual perversion of the attendees to the annual party. (The mind control techniques always involved withdrawing food, water, and sleep, and being tortured to create more "compartments" in the mind.) No one can make this stuff up.
